**We know how important it is to have a health plan you can count on.**

This is a summary of drug and health services covered by Wellcare Dual Select (HMO-POS D-SNP) from January 1, 2026 to December 31, 2026.

This booklet will provide you with a summary of what we cover and what you pay. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at [go.wellcare.com/DE](https://go.wellcare.com/DE). To request a copy, please call 1-844-480-0680 (TTY 711). Hours are: Sunday-Saturday, 8 am to 8 pm.

**Who can join?**

This is a Dual Eligible Needs Plan (D-SNP) for people who have both Medicare and Delaware Medicaid.

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area, and be a United States citizen or lawfully present in the United States. You must continue to pay your Medicare Part B premium if not otherwise paid for under Delaware Medicaid or by another third party. You must be eligible for Medicare and some cost sharing assistance under Medicaid.

To enroll in this plan you must be eligible for the following Medicare Savings Program:

**H4661005000 Wellcare Dual Select (HMO-POS D-SNP) - QDWI, QI, QMB, SLMB**

Refer to "Medicare Savings Program (MSP) Levels" section below for a description of all MSP levels.

Please contact the plan for further details.

**Plan's service areas:**

Our service area includes these counties in Delaware: Kent, New Castle, and Sussex.

**About this plan & how to get care**

**Health Maintenance Organizations (HMOs)** are health care plans offered by an insurance provider with a network of contracted healthcare providers and facilities. HMOs generally require members to select a primary care provider (PCP) to coordinate care and if you need a specialist, the PCP will choose one who is also in our network.

**Health Maintenance Organizations-Point of Service (HMO-POS)** plans are HMOs with the Point-of-Service (POS) benefit. The POS benefit allows members to get care from out-of-network providers for routine dental services as shown in the "Benefits" section of this document. Your out-of-pocket costs may be higher if you use out-of-network providers. You don't need a referral to go out-of-network for your POS benefit. However, before getting services from out-of-network providers, you may want to confirm with us that the services are covered by us. If we later determine that the services are not covered, we may deny coverage and you will have to pay the costs. Please call our

Member Services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Our plan gives you access to our network of skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. **Please note** that, if you go elsewhere without proper authorization, you will have to pay in full. Neither Medicare nor our plan will be responsible for the costs. The only exceptions are emergencies, urgently needed services when the network is not available (that is, in situations when it is unreasonable or not possible to obtain services in-network), out-of-area dialysis services, and cases in which Wellcare Dual Select (HMO-POS D-SNP) authorizes use of out-of-network providers.

**Part D prescription drugs** are covered. You have access to our large network of pharmacies. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Our plan uses a *formulary*. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

**Which doctors, hospitals and pharmacies can I use?** Wellcare Dual Select (HMO-POS D-SNP) has a network of doctors, hospitals, pharmacies, and other providers. You may use out-of-network providers for routine dental services. For all other services, you must use providers that are within our network, or the plan may not pay for the service.

You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. You can see our plan's provider and pharmacy directory at [go.wellcare.com/2026providerdirectories](https://go.wellcare.com/2026providerdirectories). Our complete plan Formulary (list of Part D prescription drugs) is on our website at [go.wellcare.com/druglist-6712](https://go.wellcare.com/druglist-6712).

We cover the services and items in this document and the Evidence of Coverage if they are medically necessary.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at [www.medicare.gov](https://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

We must provide information in a way that works for you (in languages other than English, in audio, in braille, in large print, or other alternate formats, etc.). For more information, or to request information in an alternate format, please call us at 1-844-480-0680 (TTY users should call 711). Hours are: Sunday-Saturday, 8 am to 8 pm.

## Understanding Dual Eligibility

**Dual Eligible Special Needs Plans (DSNPs)** are specialized Medicare Advantage plans that provide healthcare benefits for beneficiaries that have both Medicare and Medicaid coverage.

**Medicaid** is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Medicaid benefits are valuable because the state provides

additional healthcare coverage and financial support based on your Medicare Savings Program (MSP) level. Medicaid coverage varies depending on the state and the type of Medicaid you have. What you pay for covered services may depend on your level of Medicaid eligibility. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people may also get coverage for additional services and drugs that are covered under Medicaid but not by Medicare.

### Medicare Savings Program (MSP) Levels

- **Full-Benefit Dual Eligible (FBDE):** Medicaid may pay for your Medicare Part A & B premiums, deductibles, coinsurances, and copayments. Eligible beneficiaries also receive full Medicaid benefits.
- **Qualified Medicare Beneficiary (QMB):** Medicaid will pay for your Medicare Part A & B premiums, deductibles, coinsurances, and copayments. (Some people with QMB are also eligible for full Medicaid benefits (QMB+)).
- **Specified Low-Income Medicare Beneficiary (SLMB):** Medicaid will absorb the cost of your Medicare Part B Premiums. Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).
- **Qualified Individual (QI):** Medicaid will pay costs associated with Medicare Part B.
- **Qualified Disabled Working Individual (QDWI):** Medicaid will pay costs associated with Medicare Part A.

Note: Some MSP levels automatically qualify for Extra Help for Medicare prescription drug coverage assistance. Some states do not cover Parts A & B cost sharing.

### What is Extra Help?

A Low Income Subsidy (LIS), also referred to as Extra Help, may be available to help you with Part D out-of-pocket expenses such as premiums, deductibles, coinsurance, or copayments. Many people qualify for the Extra Help Program and don't even know it. Keep in mind that assistance may also depend on your Medicare Savings Program (MSP) level and your dual eligible status.

If you have questions about your Medicaid eligibility and what benefits you are entitled to, call the number listed on the back cover of this document.

**There are services that are not covered by our plan but are available through Delaware Medicaid. Refer to the Summary of Medicaid-Covered Benefits section later in this document for more information.**

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-844-480-0680 (TTY: 711). Hours are Sunday-Saturday, 8 am to 8 pm.

### Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [go.wellcare.com/DE](https://go.wellcare.com/DE) or call 1-844-480-0680 (TTY: 711) to view a copy of the EOC. Hours are Sunday-Saturday, 8 am to 8 pm.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use. If you have a Marketplace plan, you will need to contact the Marketplace to cancel the plan. If you do not cancel your Marketplace plan, you may be paying for coverage you cannot use and there may be penalties on your next year's tax return.
- Our plan allows you to see providers outside of our network (non-contracted providers) for certain services. However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PFFS, PDP plan with a Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
