Wellcare Simple (HMO-POS)

H4661 | 001 | 000

We know how important it is to have a health plan you can count on.

This is a summary of drug and health services covered by Wellcare Simple (HMO-POS) from January 1, 2026 to December 31, 2026.

This booklet will provide you with a summary of what we cover and what you pay. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at go.wellcare.com/DE. To request a copy, please call 1-844-480-0680 (TTY 711). Hours are: Sunday-Saturday, 8 am to 8 pm.

Who can join?

To join this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, live in our service area, and be a United States citizen or lawfully present in the United States. You must continue to pay your Medicare Part B premium if not otherwise paid for under Delaware Medicaid or by another third party.

Plan's service areas:

Our service area includes these counties in Delaware: Kent, New Castle, and Sussex.

About this plan & how to get care

Health Maintenance Organizations (HMOs) are health care plans offered by an insurance provider with a network of contracted healthcare providers and facilities. HMOs generally require members to select a primary care provider (PCP) to coordinate care and if you need a specialist, the PCP will choose one who is also in our network.

Health Maintenance Organizations-Point of Service (HMO-POS) plans are HMOs with the Point-of-Service (POS) benefit. The POS benefit allows members to get care from out-of-network providers for routine dental services as shown in the "Benefits" section of this document. Your out-of-pocket costs may be higher if you use out-of-network providers. You don't need a referral to go out-of-network for your POS benefit. However, before getting services from out-of-network providers, you may want to confirm with us that the services are covered by us. If we later determine that the services are not covered, we may deny coverage and you will have to pay the costs. Please call our Member Services number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Our plan gives you access to our network of skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. **Please note** that, if you go elsewhere without proper authorization, you will have to pay in full. Neither Medicare nor our plan will be responsible for the costs. The only exceptions are emergencies, urgently needed services when the network is not available (that is, in situations when it is unreasonable or not possible to obtain services in-network), out-of-area dialysis services, and cases in which Wellcare Simple (HMO-POS) authorizes use of out-of-network providers.

Part D prescription drugs are covered. You have access to our large network of pharmacies. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Our plan uses a *formulary*. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Simple (HMO-POS) has a network of doctors, hospitals, pharmacies, and other providers. You may use out-of-network providers for routine dental services. For all other services, you must use providers that are within our network, or the plan may not pay for the service.

You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. You can see our plan's provider and pharmacy directory at go.wellcare.com/2026providerdirectories. Our complete plan Formulary (list of Part D prescription drugs) is on our website at go.wellcare.com/druglist-6718.

We cover the services and items in this document and the Evidence of Coverage if they are medically necessary.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

We must provide information in a way that works for you (in languages other than English, in audio, in braille, in large print, or other alternate formats, etc.). For more information, or to request information in an alternate format, please call us at 1-844-480-0680 (TTY users should call 711). Hours are: Sunday-Saturday, 8 am to 8 pm.

Stage 1: Yearly Deductible Stage	
If a plan has a Part D drug deductible, the deductible doesn't apply to covered insulin products and most adult Part D vaccines including shingles, tetanus and travel vaccines.	
Deductible	\$615 for Part D prescription drugs (this applies to drugs on Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug), and Tier 5 (Specialty Tier)). For all other covered drugs, you will not have to pay any deductible and will start receiving coverage immediately.

	You enter this stage after your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$2,100.	

Generic drugs may be covered on tiers other than Tier 1 and Tier 2. Please check this plan's Formulary to validate the specific tier on which your drugs are covered.

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our preferred or standard network, or the day supply received. Mail order prescriptions are dispensed at a quantity of 35 days or more.

Excluded Drugs:

Wellcare Simple (HMO-POS) includes enhanced drug coverage of certain excluded drugs, such as Tier 1 folic acid, vitamin B12, vitamin D2, generic-only sildenafil and vardenafil. Generic sildenafil and vardenafil have a quantity limit of six pills every 30 days.

Because these drugs are excluded from Part D coverage under Medicare, they are not covered by Extra Help. Also, the amount you pay when you fill a prescription for these drugs does not count toward qualifying you for the Catastrophic Coverage Stage.

Please see your Formulary and Evidence of Coverage for details regarding this drug coverage.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-844-480-0680 (TTY: 711). Hours are Sunday-Saturday, 8 am to 8 pm.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit go.wellcare.com/DE or call 1-844-480-0680 (TTY: 711) to view a copy of the EOC. Hours are Sunday-Saturday, 8 am to 8 pm.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2027.
- Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use. If you have a Marketplace plan, you will need to contact the Marketplace to cancel the plan. If you do not cancel your Marketplace plan, you may be paying for coverage you cannot use and there may be penalties on your next year's tax return.
- Our plan allows you to see providers outside of our network (non-contracted providers) for certain services. However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.

Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PFFS, PDP plan with a Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
